## **IRLY ANNOUNCES NEW MEMBER**

SURREY, BC (February 17, 2010) – The IRLY Building Centres are pleased to welcome their newest member, Mouldings Plus Building Supplies in Prince George, BC.

Mouldings Plus Building Supplies is owned and operated by Stacey Gunderson. Gunderson bought and sold lumber for 16 years and then decided to start his own business five years ago. He moved into his current 3,000 sq. ft. location a year ago and plans to gradually expand his store to 9,000 sq. ft.

He currently offers mainly finishing products, but will now expand his hardware line and add lumber and plywood.

When asked why he joined IRLY, Gunderson said it was because when he asked others about IRLY, he “heard nothing but good.” He added, “Everything has been great.”
