Caulking Guns & Tools

COX CAULKING GUNS

WEXFORD 215 Is a low cost gun for the professional tradesman or discerning DIY enthusiast With unique high precision clutch, the Wexford has more than 10 times the working life of similar guns The patented Pressure Relief Device (PRD) largely eliminates sealant "flow-on" automatically as the trigger is released
JUMBO QUART For jumbo sized cartridges The powerful 12:1 trigger ratio makes it easy to dispense high viscosity material and also permits smooth sealant flow for a high quality finish Convenient hanging hook Patented catch plate for high efficiency and long working life Cradle type frame for easy cartridge loading
